Pleasant Harbor BBQ Showdown – January 26th & 27th, 2018

COOKS MEETING:

Friday night, the Cooks meeting is at 5 pm. Please plan to have someone from your team attend this meeting. Preferably the Head Cook. The meeting is currently scheduled to be held at the Events Building.

MEATS:

Teams are required to supply their own Meats for this competition. Meats may **NOT** be prepared ahead of time. Competition meats may be trimmed, but **NOT** Seasoned, Brined, Injected, Rubbed, etc. Please refer to the BCS Rules for more info on this <http://www.barbequechampionshipseries.org/rules.php> Public Sampling meats **MUST** be in original packaging when you arrive on site. All prep & cooking for Sampling **MUST** be done on site per the Maricopa County Health rules.

ICE:

We will have Ice on hand for a small fee plus there is a general store on site.

ELECTRIC:

Each team will be allocated 1 plug that is 110 Volt 15 Amp. Please bring several extension cords as these are centrally located. If you have a quiet Generator, we recommend bringing that as well.

TRASH, GREASE & ASH:

There will be Trash Dumpsters close to the BBQ area. It is your responsibility to dispose of your trash. Please keep your area as clean as you can. We need to return the site the way we found it. We will have Grease & Ash containers available within the BBQ area, but you will be responsible to transport them to the bins.

PARKING:

All cars, trucks & trailers not a part of the team's set up will park in the designated parking lot across the street. Also no cars/RVs are allowed to park in front of the white fire line according the Peoria Fire. Judges can park by Events Building.

SANCTIONING BODIES & RULES:

Pleasant Harbor BBQ Showdown – January 26th & 27th, 2018

This is a BCS and AZBarbeque sanctioned contest.

If you have never competed in a BCS event, please take some time and read through the BCS Rules located at <http://www.barbequechampionshipseries.org/rules.php>

Our BCS Sanctioning Directors for this great event are Nancy Murney and Mark Motta. We are excited and happy to have them out here for this event. They have great reputations throughout the BBQ community and have been Certified BBQ Judges for many years.

HEALTH DEPARTMENT & FIRE DEPARTMENT REGULATIONS:

Teams are required to have an approved and updated Fire Extinguisher as well as a Hand Wash Station and 3-compartment sink or bins. We have been working hard with the Maricopa County Health Department on this event and they did waive the permit fee for handing out BBQ Samples. You will still need a Food Handler's Card. You can get one online fairly quick. I think the cost is \$7. Visit <http://www.maricopa.gov/2268/Food-Service-Worker-Training> for more info. The Health Department has stated that even if you have an RV, you will still need a Hand Wash Station outside by where you are cooking. Please keep that in mind.

50/50 BBQ Sampling benefiting Cure SMA:

The public will have the opportunity to purchase samples at \$2/taste from each team who would like to do this. They will purchase tickets from the SMA group that will be out there. They will have a table set up as well as have volunteers walking around selling tickets. We recommend you hand out 2-oz. samples of your meat or 1 rib bone for that price. You are responsible for supplying your own cups/containers. It's also a good idea to have napkins and plastic forks. Teams may serve the four competition meats as well as BBQ Appetizers & sides if you wish (ABT's, Pig Candy, Fatties, etc.). This should be a VERY GOOD Sampling Event. We encourage you to help out our Charity CURE SMA. They are bringing a big group to help sell the tickets & manage the event. Let's show them our support as well. [For every 100 Sample Tickets you take in, you will receive 1 entry into our raffle that includes a Jim Bowie Green Mountain Smoker valued at over \\$700 as well as several other great raffle prizes. We would love to see every team participate in this sampling as it goes a long way with helping our charity as well as giving the public a chance to enjoy tasting all the great BBQ from the different teams.](#)
